(Joe Budden)

jump off yeah ! uh uh JOEY. RAYNE. lemme talk to them

look, look, baby sweet lady darling its the way you see
me wait pardon.

its the way you never leave me with no paps me
starving.

its the way you treat me never page me starting
wait. hold me down when it gets winter

how you lick the center til the kid remembers
how the child fits so tender looking like a chick from
linda

joey dating miss november

hop in it just intimite got me so into her

believe when it get intamite

pimping it reminscing

? rend sensitive

and nobody bending it quite like kim just did

imagine having a women worth spazing and bragging
about

something that you phatom about

imagine it how you got me so passionate now

and all real ma i couldn't of made it happen without...

you you you

(rayne)- verse 1

whenever you tell me just how you feel

holding on to a love someone real

you can't believe don't understand

used to be so calm now you hold my hand

cause with every touch i feel it inside

and words can't even say it right

don't be surprised what you felt for me

cause you knew my love was the only way

(chorus)

didnt you know, didn't you know. didn't you know

didn't you know didn't you know what my love would
do. would do to you

didn't you know. didn't you know . didn't you know

didn't you know

nothing else would of ever matter to you but my love

verse 2

all i ever use to do was just wait
so faithfully for the day you might say
you're all i want , all that i need
and i give you my heart my sincerity
i told you my love would never cause you pain
and the kiss of my lips remain
such a pretty memory, don't you know my love is a
remedy

(chorus)

didn't you know, didn't you know. didn't you know
didn't you know didn't you know what my love would
do. would do to you
didn't you know. didn't you know . didn't you know
didn't you know
nothing else would of ever matter to you but my love

-hook

i told you. i told you babe so many times
i would never hurt you.so why you acting so surprised
all you got to do is show me that you feel the same way
i do
(same way i do) when you know its about me and you

(chorus)

didn't you know, didn't you know. didn't you know
didn't you know didn't you know what my love would
do. would do to you
didn't you know. didn't you know . didn't you know
didn't you know
nothing else would of ever matter to you but my love
