[Intro: Joe Budden]

AYOOOOOOOOOO!!!!

[Chorus 1: Nate Dogg]

Come quick, see
If you have a way wit' me

All night, night, niuuuuuuight
Girl look, see
Everything in the club is free
That's how it is when you wit' an O.G
Wit' big money
Girl we gon' leave
Right after this party

[Verse 1: Joe Budden]

1, 2, 3 and to the fo'
Tell me what's good y'all its ya boy Joe
No need to answer y'all already know
Plenty fifths of Vodka, few jars of dro
I give a fuck if they play this on the radio
G'z in the buildin its all gravy though
I jus came for a lil bit fellatio
Cause 25 to 1 is the ratio
Got cops outside, "Like nah this can't be"
No need to ice grill we all family
We all got cash, none of us iz punks
But my ratchet on me, yours iz in the trunk
Think that through fam, minds well quit here
Cause you won't get a chance to get there
Now lets RIDE
Baby lets SLIDE
If you wan' RIDE
Car iz out SIDE
Gangstaz lets RIDE

[Chorus 2: Nate Dogg w/ (Joe Budden)]

This is a Gangsta Party(Uh, uh)
We came to smoke in this party(Ok)
Lets get it crunk in this party(Oh)
We (Whoa)came (Whoa)to drink in this party(Whoa)

What's up but after this party(What's good?)
We came to leave wit' somebody

Legs behind, head in the headboard calm and soother
