[Intro - Joe Budden]

C'mon, c'mon, c'mon, c'mon, c'mon [2 gunshots]
C'mon, c'mon, c'mon, c'mon, c'mon [2 gunshots]
C'mon, c'mon niggaz, c'mon, c'mon [2 gunshots]
(DJ ON POINT)
C'mon, now look, now look [gunshot]
(Is this what you want?)

[Verse 1 - Joe Budden]

Nobody likes me, everybody hates me
Play that jump off, all of Jers' gon' go crazy (yeah)
Model chicks buggin, talkin 'bout havin his babies
You just "Think She Likes You", you doin it like JD
Pull up at the dice game, wrists on AC (so)
For my own safety, I'm keepin it off safety (okay)
Feds wanna indict him, blue suits wanna chase me
(what?)
My money too long for you fuckers to come and cage
me
Don't wile out with glocks no more (naw)
If I'm "Window Shoppin," I'm probably 'bout to rob that
store
Dog, license suspended, stash, stay with a nina
While I'm the highway, drag racin the Medina (c'mon)
Naw they can't be 'em, Joey they can't see 'em
No prison could hold 'em, Bruce Bowen can't D 'em (oh)
Don't handcuff a ho, don't wife 'em and don't feed 'em
Somebody should have told her, it's a privilege just to
meet 'em (c'mon)

[Chorus - Joe Budden]

Lets get it poppin niggaz, lets get it poppin [2 gunshots]
Lets get it poppin my nigga, lets get it poppin [2
gunshots]
You know that sound, whenever they got it poppin
It's, [2 gunshots], What it do [gunshot], how it go
[gunshot]

Lets get it poppin niggaz, lets get it poppin (BOOM,
BOOM)
Lets get it poppin my nigga, lets get it poppin (BOOM,
BOOM)
You know that sound, whenever they got it poppin
It's, (BOOM), What it do (BOOM), how it go (BOOM)

[Verse 2 - Joe Budden]

Look at here
Let me tell you why I'm that hype (why?)
As soon as I started ghostwritin everybody started
gettin signed overnight (yeah)
I need green for everything now
The murder rate's goin up cause they puttin Beans on
everythin now
I had this Bugaboo bitch, keep wantin me to romance
her (HO!)
Always poppin up, I called her George Costanza (HO!)
Spent some time with her, realized I couldn't stand her
(So)
So I logged her in my phone as "You A Fool If You
Answer" (c'mon)
Drama's not a thing, my ratchet'll never leave me
Fitted on tilt, I'm bitin off that obe-sity (yessir)
Feel like Bruce Lee-roy, if niggaz is so tough
I put they face underwater and make 'em say "sho
nuff" (sho nuff, c'mon)
You know how the game go, every club, same hoes
I ain't with the rumors tell the bullshit damaiano
But call me if you lookin for that cocaine flow (why?)
Then I'll spit that propane and watch the whole thing
blow (LETS GO!)
Lets go

[Chorus]

(Is this what you want?)

[Verse 3 - Joe Budden]

Look, look
I told 'em not to fuck with the kid
I take your wig off or maybe you can save it, like Busta
hair did
Drop my V at the garage, let 'em custom my whip

I'm not spoiled, its just I've grown accustomed to shit
(OH!)
I mean nobody likes me, everybody hates me
Keep that shit comin, watch how stronger it makes me
(uh huh)
Burner near by when I'm ridin in that Mercedes
Case one of these snakes get they courage up to face
me
Lets go

[Chorus]

[Outro - DJ On Point - talking]
