(I'm comin', I'm comin', I'm comin')
Okay
(I'm comin', I'm comin', I'm comin')
The time has finally come beautiful people
(I'm comin', I'm comin', I'm comin')
Gea, I've been singing this tune for entirely too long
now
(I'm comin', I'm comin', I'm comin')
Well like eight, nine years, somethin' like that
(I'm comin', I'm comin', I'm comin')
But I'm here, only the presenter of your album
(I'm comin', I'm comin', I'm comin')
Featuring myself, Joe Budden
(I'm comin', I'm comin', I'm comin')
High haters, the time is finally near
(I'm comin', I'm comin', I'm comin')

It's getting close, I'm finally scared
Scratched that the album's out y'all it's finally here
I repeat myself to the haters y'all I'm finally here
(Haters y'all)
Every street corner jail cell finally cheer
But it was y'all that voted me
Y'all that noticed me
It was y'all that said I should've been signed to Def
Poetry
It was y'all that said yes y'all can flow a tree
(I'm comin', I'm comin', I'm comin')
Mama raised me proper, the streets just molded me
The streets coded me made me a better pedigree
Now things are complicated like Avril Lavigne said it be
But I took some time out to get my shit straight
(I'm comin', I'm comin', I'm comin')
And present to you Jumpoff seventy minute mix tape
This here for real, this here's the official
(Oh, I'm comin', I'm comin', I'm comin')
This here is not a best of, this is the best of
How can I say this
It's sorta like Hov, Pac, Shade
Blended with Bill Withers and Miles Davis
Let's add Al Green, folks I miscalculated
(Lets)

Now it's Ludacris time, move get out my way bitch
(I'm a rapper)
A rapper's rap and a kid can't do this
To you ignorant motherfuckas don't misconstrue this
Everything's reversed now I live in the Matrix
So how can I stay anonymous when it's my job to be
famous
A lot of y'all can interpret when I'm speaking that
language
But some better understand to the rest it's better you
can't
Now when you speak with the elite
(I'm comin', I'm comin')
I get honored admission
Because the gold is on top
Never honorable mention
This Joe's purpose is to do
Now here there's no further anew
Enough said with no further ado

(I'm comin', I'm comin', I'm comin')
Gea
