Flow sickly riding bumping old biggie
Roll with me or lose weight nicole richy
Fuck plat if I don't reach diamond fame
I'll treat nigga face like that old simon game
I figured out why men try us
Cause we o.d. on rims and thin tires
For that we lynn bias
All it take is a punch
He ain't brave he a punk
I'll put his family in a boxes
Meet the brady bunch
Yo how ya'll feel yaselves
Should' kill ya'll selves
Us cowboys don't need you
You bill parcel's
And you ain't gotta empty ya pockets when the k's out
Whatever u holding is mine
You my pay pal
See I don't get why this guys is a threat
I'll make his life a net
For a pie than a neck
Ride or die do both nigga
Ride till' da death
I'll acapella the whole left side of his chest
Not retiring still got dat pension pending
Tryna pop da hood and see da engine missing
Double barrel shotgun have ya men get missing'
She got pretty brown eyes and she in mint condition
All that cigs in the car
You dissing muah?
Take da ratchet go home and jus chris benoit
Tell a bird like it is
You promise the broad
I one line'em
You isaiah thomas the broad
Look I can send a clique cartridge at a nemesis target
And put ya r.o.r. on sum gena 6 charges
Nah I put that thing away
I don't even need a whole a hair do to clip'em
All it take is one thing away
Been in the bink for days

Show u how I'm real
Come home to da truck with da optimus prime grill
Handing out crack got da scene popping up
They not sleeping on'em
The fiends noddin' off
For real tell me how u a thug and u superman
I jus seen u in da club doing da superman
A bunch of lames home's
All I need in this world
Is a pound chrome
Huxtable brown stone
Major paper
Cake by da layers
If these dudes is live
I'm the created player
They calling dem kings
When they so so hot
Sumtin wrong with dat picture
Must be photoshop
I don't promote violence
But we toting dat thing blam
Arm start waving like that carlton banks dance
But when dem tools go pop and move whole blocks
Come around wicha thugs and get kujo shot
These mc's is lame
Tryna be a mc with brains
These niggas is mc brains
Being nice these rappers is far from being nice
I'm on da rooftop recording
Niggas is being sniped...
