Look, I wanna spend time with you  
Thats what Im trying to do  
And I know I aint even gotta tell you, you find the truth  
But you got me fucked up.  
Look, I want to get next to you  
But I wont keep texting you  
And you think every nigga wanna have sex with you  
Baby, Ill be stuck up.  
Uh, no, no, no

Hook:  
I dont get around bad bitches my whole life  
And I dont mean to be rude  
But if I had to make a top ten list, it wouldnt include  
you.  
Ive around bad bitches my whole life  
And reality as it is, I know youre fucking with a nigga  
And bottom line, youre cute too!  
So while I get to know you and you get to know me  
Whatever gonna happen it will happen slowly  
But its enough, well see in this world for me to knock  
me off!  
So even if I hold you, let you hold me,  
Even if we spend time together for the whole week  
Its enough what well see in this world for me to knock  
me off.

Now tell me what Im supposed to do  
Should I be like every nigga that you meet up in the  
streets  
And a beast nigga close to you  
I much rather get the close to you.  
Instead again, my dick suck, we can hit the street club  
And pour it up, nigga close to you.  
So let me tell you I got the woman I love for ready  
She person Ill be thinking off so ready  
So if we took it further, that I wouldnt lead to murder  
She will find you and you probably get snuffed already.  
Uh, she dont ask who that bitch  
So when I say shes just a friend  
I really wanna mean shes just a friend!

Hook:

I dont get around bad bitches my whole life  
And I dont mean to be rude  
But if I had to make a top ten list, it wouldnt include  
you.  
Ive around bad bitches my whole life  
And reality as it is, I know youre fucking with a nigga  
And bottom line, youre cute too!  
So while I get to know you and you get to know me  
Whatever gonna happen it will happen slowly  
But its enough, well see in this world for me to knock  
me off!  
So even if I hold you, let you hold me,  
Even if we spend time together for the whole week  
Its enough pussy in this world for me to knock me off.
