Whatchu think that all of the rumors for?

Mami dude you love dick, caress and rub dick
Love street niggaz, love a thug dick
But you don't look like you gettin' enough dick
But do you fuck in public and suck dick

Are you down with a dick, clown niggaz dicks
When they put it in do you, drown niggaz dicks
Profound a nigga dick, and when you go down
I hope you don't kiss all around a nigga dick

You gettin' lame dick, all the same dick
Clowns who can't fuck, new to the game dick
Scared of a freak with a hall of fame dick
So keep fuckin' your ex-man who can't quit

You need stronger dick, fuck seven inches
Get a longer dick, put it on the dick
A champion dick, a heavyweight dick
Have you 2 way a nigga every day dick

My Cris' and mo' bitches that ride it well
My strip show bitches hope you ride it well
We can fuck in the house or in the car
But tell me can you ride dick like a porno star

My gin and juice bitches that take it well
My in school bitches 'cause you takin' it well
We can fuck in the house or in the car
But tell me can you take dick like a porno star

A nigga need pussy, soft and sweet pussy
If your shit's tight, then I'll probably eat pussy
I'm a picky dude, don't need beat pussy
Strictly freak pussy, just to leak pussy

I need fine pussy, need dime pussy
Need rare pussy that hard to find pussy
Got a one shot, I need all the time pussy
Up echelon, top of the line pussy

Need tight pussy, get right pussy
No sleep, break day, all night pussy
Fuck whack pussy, I'm lookin' for that pussy
Bitch you cheated on me but I'm right back pussy

Pop lock pussy, stop drop pussy
Let me lay up when the block hot pussy
Never before pussy, straight raw pussy
Fucked ten times but I want more pussy

My Cris' and Mo' bitches that ride it well
My strip show bitches hope you ride it well
We can fuck in the house or in the car
But tell me can you ride dick like a porno star

My gin and juice bitches that take it well
My in school bitches 'cause you takin' it well
We can fuck in the house or in the car
But tell me can you take dick like a porno star

Look I love sex, kind of rough sex
Whip cream, honey out, handcuff sex
Never without sex, all about sex
Hard backshots, pillow in her mouth sex

Deep stroke sex, deep throat sex
Run around here like you don't need no sex
All day sex, it's foreplay sex
Your back on the wall in the hallway sex

Make me wait sex, third date sex
Just finished arguin', havin' hate sex
Relaxed sex, missionary style
Nails in my back sex, now that's sex

No hands sex, advanced sex
Why you come to my crib wearin pants sex
Unlikely sex, try me sex
You gon' fuck around and be wifey sex

My Cris' and Mo' bitches that ride it well
My strip show bitches hope you ride it well
We can fuck in the house or in the car
But tell me can you ride dick like a porno star

My gin and juice bitches that take it well
My in school bitches 'cause you takin' it well
We can fuck in the house or in the car
But tell me can you take dick like a porno star
