[joe]

one two one two
one two one two
(uh uh)
nod ya head if you want clap ya hands to it
it's just music you feel like it dance to it
(uh uh) c'mon

[verse 1]

if you feel like i feel it's all love what up
now throw ya mufuckin fingaz in the air, yeah
mr. i'm back here to do it like glow, infact this ain't
about rap
if you ain't come to feel good we gon do it without you
too low, turn the music louder yeah
turn the music loud in hear
you understanding what ya'll about to hear
feelin myself, homie what see i'm a leader won't show
me up
naa, see they won't slow me down won't slow me up
sky's the limit till i die and i'm in it
but that's not the case tonight
pop a case tonight like whateva you want do it's ok
tonight
see cause all of that salt we gon shake tonight
now bring the break aight

[chorus]

i'm just tryin to be me
cause there's only one me
strip away materials (and i'm serious desert storm)
cause seriously
these things don't make me
nothing can break me (no they can't)
i shine because a star is inside of me

[verse 2]

i write mood music, know a lot of you ain't used to

jot my life on wax i'm putting you through it
no lies it's all truth to it
do the music cause it's (inside of me)
fans wanted the real i went and gave it to 'em
i'm not a street nigga, naa just relate to 'em
i just relay through 'em
show the way to 'em neva fake to 'em that ain't (inside
of me)
(hold up) don't be afraid show the world who you are
go and show the world you a star
(you could) reach to the stars go ahead show the world
that it's ours
and then the world will know that it's (inside of me)
40 acres and mule to, 40 K's on the Muller
see I'm just thinkin of ways to get my dudes up
they use to say we was losers
i beg to differ that ain't me, now

[chorus]

i'm just tryin to be me
cause there's only one me
strip away materials (and i'm serious, hey)
cause seriously
these things don't make me
nothing can break me (no they can't)
i shine (of course) because a star is inside of me

[breakdown]

give it to 'em Joe
give it to 'em Joe
give it to 'em Joe
you got it

[verse 3]

reason they say if you don't stand for nothin, you'll fall
for anything
cause of that there i see the whole game on the ground
watchin what works, we all chasin' a hit
instead of takin a risk, so we changin' our sound now
now we all chase jewels, big trucks, and income
all that and then some, chase whateva trend come
(but)
at least till the trends done (but)
but that don't change within none (yeah)
and i'm not sayin' to not have a Benz son, rings that
shiny whateva things timely
those things help to unwind me (but)
but naw those things don't help define me
aim at the baiscs, aim you can make it
cause even when the whole game seems tainted
i'm a star without the chains and the bracelets

cause that fly shit is (inside of me)

[chorus]

i'm just tryin to be me

cause there's only one me

strip away material, (and i'm serious, hey)

cause seriously

these things don't make me

nothing can break me (no they can't)

i shine (of course) because a star is inside of me

[outro]

a glow is coming from my heart

open yours and find a star

(hey)

(hey)
