[Wale]

Uhh... Dub, A, L, E

Appreciate it Joe, yeah

Highly unstoppable, nothin's un-coppable  
Tito Santana matador ain't equipped to stop the bull  
Proud of product pulled over nigga not be scorned  
Around here I am the goat like the Capricorn  
New grove, still bitches don't know this a flaw  
Cause my hoes in the X like they model for cars  
Here to change the whole game due to audible  
Initial place wasn't cruel so we oughta bull  
I'm {?} to my little mack competition  
You gon' need a couple stars to get your first victor  
Word picture, hurt niggaz, young verse killer  
Fist pleaser, skirt lifter, young Dirk Diggler  
Wahlberg (Shooter), young flow fluid  
And my brains travel like Yung Berg jewels  
Transformer, no opponent is formidable  
Pockets morbidly obese, I'll be tourin for loot  
I'm Wale, the new nigga on the block  
See my team has hella cars, I got a couple knots  
See, how the beat gets ate off  
Acquire my scratch and I ain't have to use an 8-ball  
Hip-Hop's whole face is off  
And I rock with the band, this a cake-walk  
Yeah  
And I don't want  
I don't wanna be condescending on that but like cake-  
walk  
Like, I meant like cake from the second season of "Da  
Band"  
Like cake-walk like it's, fuck it  
(TALK TO 'EM!)

[Joe Budden]

Yo, I'll be whatever you wan' call me

Weird or faulty, but lyricists can't ignore me (nah)

Keep a shooter wherever the force be (why?)

Case they gotta make a band member strip naked like  
Aubrey

So, they hate and they say

But the AK's a cross from the tommy like Shenene and  
they'll try ya  
Rap hero but wasn't nicer, prior  
I started off the top of the dome, call him Sylar  
Now you now son become C. Dalvin  
Dollar Dungarees, kicks fly closet like Chun Lee (but  
dawg)  
Pump me with Sigel to pump B  
You just servin yourself, go pull up to pump three  
Flow's all flames, not a race but keep up  
Cause I'll (Bolt) on Usain, I'm too ahead of the game  
So take your seat on the bench  
You met Wale and 9th Wonder, now meet the tenth  
Joey...
