[DJ Talking]

Ladies, this is for ya'll  
You Got It Bad Remix

[Joe Budden Talking]

I Like how that feels  
Been there, done it  
Let'em know

[Usher]

When you feel it in your body, you found somebody  
who  
Makes you change your ways, like hanging with your  
crew  
Said you act like you're ready, but you don't really know  
And everything in your past, you wanna let it go

I've been there, done it, fucked around  
After all that this is what I found  
Nobody wants to be alone  
If you're touched by the words in this song  
Then baby...

[Chorus]

U got it, you got it bad  
When you're on the phone, hang up and you call right  
back  
U got it, you got it bad  
If you miss a day without your friend, your whole life's  
off track  
Oh you got it bad when you're stuck in the house, you  
don't wanna have fun, cause it's all you think about  
U got it bad when you're out with someone but you  
keep on thinkin' bout somebody else  
U got it bad

When you say that you love 'em and you don't really  
know  
Everything that used to matter, it don't matter no more  
Like my money or my car, you can have it all  
Flowers, cards and candy, I do it just 'cause  
Said I'm fortunate to have you girl, I want you to know  
that I really adore you  
All my people who know what's going on look at your  
mate, and help me sing my song  
Tell her I'm your man, you're my girl, I'm gonna tell it to  
the whole wide world  
Ladies say I'm your girl, you're my man, promise to  
love you the best I can  
See I've been there, done it, walked around  
After all that this is what I found  
Everyone of y'all are just like me, it's too bad that you  
can't see  
That you got it

[Chorus]

[Joe Budden]

Been there, my own experienes ya'll

I +Had It Bad+ for a chick that was far from the  
average broad, shorty had me dawg  
Had me callin accessivly, and when ma wasn't around  
the thought was depressin' me  
Had me not drinkin' no more, no hoes, actin' up on the  
job, no call, no shows  
Basically reppin' for her, me and you mami against the  
world not a second to her  
Ma do I adore you, fa sho  
Would I give my life for you, fa sho  
From the go X and O's, to ice in your life, from peoples  
to girlfriend, wifey to wife  
Made me wanna quit this mackin', and you won't know  
when you sippin', that shit just happens  
No secrets ain't gotta hide my cheddar  
When I cry, you cry, we cry together  
Seein' you talk in the past, look my dawgs'll respect  
'Cause it's your whole demenour, mind, body and soul,  
it's more than the sex  
And I know that it musta been fate how we touch so  
much  
You a chick that I hate cause I love so much  
Me and You can get paid throwin' dubbz so much  
And you scared I cut your 'caine 'cause I thug so much  
Everybody wanna know why I'm so thirst now  
A look is a power you, it's her style  
And you lookin' me out boo, I ain't hurt now

I thought I Had It Bad before I'm worse now  
Unheard of, ma you as my mate, it's murder  
Listen, I know your probably scared, you don't wanna  
break the bond by takin' it further  
Understood, mami you all that and I'm all hood  
So the kid +Havin' it bad+ is all good  
If you feel me holla
