[Joe Budden]

Nah mean, fuck niggaz (Joey!)

King of New Jersey (It's, it's)

It's what? (It's that On Top...)

Still talkin that shit...(We got this locked, it's in the pocket)

Niggaz be cheatin and shit with their little bullshit 16's (We got this

locked, it's in the pocket...Jerze!)

...I'm cheatin' too, fuck it (Hold up...)

Aiyo forreal chief, go ahead, get up out my grill piece 'fore you hear the gat hollerin' when I shoot the steel piece

Battle emcee? That's a small thang (Why?)

I'm like a christmas tree

I just stand there...and let my balls hang (Nigga!)

A few hatin' niggaz want me in a cell y'all (Oh!)

Far as these rap niggaz go, I never felt y'all

Here's what I'ma tell y'all (Tell 'em what nigga?)

I'm Randy Johnson, I ain't from New York, but I'ma help y'all

Help with the game, lock this in a noose (Nahhh!)

That nigga's a faggot, I don't rock with dude

Here's what the glock'll do (It'll...)

It'll have your 5 senses all chopped -n- screwed

Soon as it cock and shoot (With!)

Ice, Chanel, Girbauds, pipin' out their cars (Oh!)

Captain Planet niggaz, recyclin' their bars (But!)

Niggaz got ice in the hood don't wear it

With the snub on some Ying Yang shit, you won't hear it (Nigga!)

[Stack Bundles]

Yo...listen I got an explanation for my mouth...

I ain't been shot yet (Nahhh)

Swolderin' fever, and y'all ain't get hot yet

Brand new Geneva that I ain't get rocked yet (Uh huh)

I'm still on the corner, I ain't sail on a yacht yet (Forreal)

So my hunger is different from what you expect
I'm morally extortin' niggaz, I'ma take my respect
See they love to see you twisted (So?)
So the plan is, drop Laurel record, take niggaz bitches
(Right)
It's a man's world, these niggaz is bitches (Right)
I'm robbin' rap's piggy bank, hand over the riches
(Schieeeeet!)
They say stars are born and not made
Chain of command, stripes are earned, they're not
gave
Number one loyal to the 48th laid
Outshine the master and I'ma hang 'em like a slave
(Schieeeeet!)
The brave deserve awards
Say my name, you supposed to get shot
You worked hard for yours....EHHHHH!
