oooh once again its on and we gon ride out
once again til dawn
keep the lights out once again til morn
keep the lights out til the end of the song

its killing mee
and its got you all fired up
tryin to walk away
cuz you dont want your heart tied up
woah

(Hook)
i can feel the groove when you holdin me
like to let you think your controllin me
even though that aint the deal
what i want il take i will and i know
cant hide that your really into me
hold ya so tight i can barely breath
cus you know i keep it real
givin you what you can feel

(Chorus x2)
Whatever you want iv got it
whatever you need thats me
feelin the flow dont stop it
whatever you need il be

your frontin like
and you dont want no one to know
but its in your eyes
that you dont want me to go
woah

(Hook)
i can feel the groove when you holdin me
like to let you think your controllin me
even though that aint the deal
what i want il take i will and i know
cant hide that your really into me
hold ya so tight i can barely breath
cus you know i keep it real
givin you what you can feel

(Chorus x2)
Whatever you want iv got it
whatever you need thats me
feelin the flow dont stop it
whatever you need il be

(Joe Budden)
"dont no rap"

Whatever you want!!!

(Chorus x2)
Whatever you want iv got it
whatever you need thats me
feelin the flow dont stop it
whatever you need il be
