Ain't funny how time  
Steals the feeling from a love affair?  
And there's no place to lay the blame  
And it ain't a case of no one cares

Helplessly we watch it fade away  
Neither will admit it but we're both aching to say

I miss the days when we were crazy in love  
When you weren't so sure of me  
I had my little jealousies

Bring back the days when we were crazy in love  
I want to feel that way again  
Remember when we were crazy in love

It used to be so easy, one kiss and I was high  
I could get intoxicated just by looking in your eyes  
Baby, is there nothing we can do?  
'Cause you know I'm missing you, bet God you miss me  
too

I miss the days when we were crazy in love  
When you weren't so sure of me  
I had my little jealousies

Bring back the days when we were crazy in love  
I want to feel that way again  
Remember when we were crazy in love

We were crazy in love
