If tomorrow never comes  
Would you still belong to me  
Guess I've always known  
It was meant to be

Took a second chance on love  
And it carried us away  
Now it's getting stronger  
Day by day

The closer it gets  
The further it seems  
It's always one step  
Out of reach

(CHORUS)  
On the edge of a dream  
(You know you are)  
On the edge of a dream  
(You know you are)  
We've been waiting  
For the chance to be free  
On the edge of a dream  
(You know you are)

And if nothing ever changed  
Would you feel the same way too  
You know I'll always be there for you

Cause they say the strong survive  
And we've nearly made it through  
We'll soon be seeing  
Our dreams come true

The harder it gets  
The harder you fall  
It never turns out like it seems

(CHORUS)

Moving in and out of love  
Can't say we never tried

I knew that you believed in me  
I can see it in your eyes

I'm on the edge of a dream  
We're on the edge of a dream  
We're on the edge of a dream  
So, dream on, lover

We're on the edge of a dream  
(You know you are)  
On the edge of a dream  
(You know you are)

You know you are  
Out on the edge of a dream  
(You know you are)...
