Further on up the road, when you're all alone and blue
Further on up the road, when you're all alone and blue
You're gonna hurt someone, someone is gonna hurt
you

You gotta reap just what you sow, that old saying is
true
You gotta reap just what you sow, that old saying is
true
Like you mistreat someone, someone is gonna mistreat
you

And now you're laughing, pretty baby, but someday
you're gonna cry
Now you're laughing, pretty baby, but someday you're
gonna cry
Further on at the road, you'll find out I wasn't lying

You gotta reap just what you sow, that old saying is
true
You gotta reap just what you sow, that old saying is
true
Like you mistreat someone, someone is gonna mistreat
you

And now you're laughing, pretty baby, but someday
you're gonna cry
You're laughing, pretty baby, but someday you're
gonna cry
Further on at the road, you'll find out I wasn't lying

Further on at the road, say when you're all alone and
blue
Further on at the road, say when you're all alone and
blue
You're gonna hurt someone, someone is gonna hurt
you

Say when you're all alone and blue
Say when you're all alone and blue
You're gonna hurt someone, someone is gonna hurt
you
