Joe Cocker
"If I Love You"

If I love you
Will you understand
When I fall you
Will you go

Will you leave me
When I let you down
Tell me darlin'
Let me know

Love will bring you joy
Love will ease your pain
It's so helpful
It's so kind

But when it's gone
I feel like dyin'
Tell me darlin'
What is on your mind

If I lose you
I will understand
But my heart
It'll never heal

Because I love you
And I need to know
Tell me darlin'
What you feel

If I love you
Will you understand
When I fall you
Will you go
