I don't know what it is you got  
But it's plain enough to see  
Whatever it is, sure  
Means a lot to me, oh yeah

I try to turn and walk away  
But it does no good, I've gotta stay  
This feelin' that you give  
Won't let me be, oh no

You really got a hold on me, yeah, yeah  
I can't live without your love  
I can't live without your love  
I can't live without your love

I don't know what it is you give  
But I can't live without your love

Everywhere I see your face  
Even though my foolish pride  
I must admit I've got  
No place to hide, oh no

You're even living in my mind  
It's getting to the point where I find  
A day without you is like  
A long lonely ride, yeah, yeah

You really got a hold on me, yeah, yeah  
I can't live without your love  
I can't live without your love  
I can't live without your love

I don't know what it is you give  
But I can't live without your love

Way that you're coming to me  
Amazes me to no end  
I turn my back on your love  
And people tell me now that I look like  
I done lost my only friend, yeah

I don't know what it is you give  
But I can't live  
I don't know what it is you give  
But I can't live

I don't know what it is you give  
But I can't live without your love, yeah  
I can't live without your love
