Just 24 hours ago the sound my heart made as it broke
Echoed across the room and cut right through the
words you spoke
I don't wanna fight till 3 a.m., wake up red eyed and
start again
My tears won't solve a thing, oh baby

Do you even know what you're fighting for?
Baby 'cause I can't take it anymore, let's make love not
war
We can get it back like it used to be
Lay down your arms, baby, come to me, let's make love
not war

Let's make love not war

If love is oxygen we're cutting off the air supply
You sting and I can't breathe, I need to know the reason
why
If I've been hard to handle, I'm the first to apologize
'Cause baby this goes both ways, ooh

Do you even know what you're fighting for?
Baby, 'cause I can't take it anymore, let's make love not
war
We can get it back like it used to be
Lay down your arms, baby, come to me, let's make love
not war

Let's make love not war

Just 24 hours ago

Wake up and start again

Let's make love
I can't take anymore
Love not war
Ohh, yes love

Do you even know what you're fighting for?

Baby, 'cause I can't take it anymore, let's make love not
war
We can get it back like it used to be
Lay down your arms, baby, come to me, let's make love

Lay down your arms, baby, come to me, let's make love
not war
