Out of this world
Out of this mind
Out of this love for you
Out of this world
Out of the blue
Out of this love for you

Some times I don't know you
You're like someone else
But that's alright
I'm a stranger here myself
She don't she'd a tear
When I walk out that door
Cause she knows,
She knows I'll be coming back for more

Out of this world
Out of this mind
Out of this love for you
Out of this world
Out of the blue
Out of this love for you

It's in the cards
It's written in the stars
It's in the wee, wee hours
It's a lonely bar
But she don't stay up all night
And walk the floor
Cause she knows dam well
I'll be coming back for more

Out of this world
Out of this mind
Out of this love for you
Out of this world
Out of the blue
Out of this love for you
