We're on the shores of nowhere
Looking out to sea
I turn to kiss your face and you laugh at me
You laugh at me

How do I feel when I feel like rain
Feel like singing
It feels so good, so right
To be with you tonight

So good, so right
To be with you tonight
So good, so right
To be with you tonight

And there is no space between the ocean
You and me
Exchanging life force as we live and breath
Together we'll be

How do I feel when I feel, I feel
Feel like singing
Feels so good, so right
Just to be with you

So good, so right
To be with you tonight
So good, so right
To be with you tonight

How do I feel when I feel like praying
Feel like saying
It's feels so good, so right
Long to be with you tonight

So good, so right
To be with you tonight
So good, so right
To be with you tonight

So good, so right
To be with you tonight

So good, so right
Yeah, to be with you tonight
