The one\_Joe Cocker (Performer) not the writer!

So a time has come  
and you lost your way  
The light is gone and live is insane  
A change is on the way  
If your on the road or here at home  
You've got to know, you got someone who loves you  
All along the way

Refr:

It's one for the other forever true  
Keepin the nights on the run  
And lover to lover light on the move  
Higher and higher finding that we are the one  
We are the one

I don't even know anything  
But how I feel the way that I do  
I found me in you  
And when time is up and the world is gone  
I know one thing will carry on  
I wont be there I'll be there with you

Refr:

It's one for the other forever true  
Keepin the night on the run  
And lover to lover light on the move  
Higher and higher finding that we are the one  
We are the one (2x)

I've got to make it  
I've got a song to write  
I've got a lot to say  
I've got someone who loves me  
All along the way

Refr:

It's one for the other forever true  
Keepin the night on the run  
And lover to lover light on the move  
Higher and higher finding that we are the one  
We are the one (3x)
