"These Arms"

I hear the sound of your heart beating.
Don't say a word, I know what you're feeling.
Just hold me close, don't be afraid.
These arms won't let your heart break.
Just ask me girl, oh I surrender.
I'll make love to you so soft and tender.
I promise you with every breath I take,
These arms won't let your heart break.

Chorus

These eyes will worship and adore you,
These hands will love you everyday.
Darling the only guarantee I can make,
These arms won't let your heart break.

Your wish is my command I'm right here for you.
Just take my hand, I'll love you like you want me to.
One thing for sure, make no mistake,
My arms won't let your heart break.

Chorus (3 times)

These arms won't let your heart break
