I'm not a pauper or a millionaire

Doin' all my living on a song and a prayer.  
I played to win and took the lion's share - so sweet.  
Memories of friends upon my wall

When I met you I thought that I had it all

Too young to understand the mighty fall - so easy.  
Still I threw it away  
just' when I had it  
I threw it away

Just when I held it  
I threw it away

That precious feeling  
I threw it away - just when I really cared.  
Conversation in a crowded room

I hear the music but I'm not out of tune.  
You never learn until your chance is had - and gone.  
.rew it away  
just when I had it  
I threw it away

...

Oh

but I th

Memories of friends upon my wall

.

Tellin' you

I threw it away

when I had it

I threw it away

...

That precious feeling

oh no.
