Wintertime, summertime
Cried over you
Wintertime, summertime
Cried over you

It was winter when you
Told me you were leaving
I cried, I cried
Oh, please don't go

Came the springtime with
It's love song so deceiving
I cried, I cried
No one will know

Then the summer came and went
With no word at all
I knew it was over
As the leaves began to fall

Yeah, wintertime and summertime
And spring and fall, it's true
I'll always be crying over you

It was winter when you
Told me you were leaving
I cried, I cried
Oh, please don't go

Came the springtime with
It's love song so deceiving
I cried, I cried
No one will know

Then the summer came and went
With no word at all
I knew it was over
As the leaves began to fall

Yeah, wintertime and summertime
And spring and fall, it's true
I'll always be crying over you

I'll always be crying over you

Wintertime, summertime

Cried over you

Wintertime, summertime

Cried over you
