Been one tough week  
I'm dead on my feet  
But I've made plans for tonight  
When I'm feeling blue  
Know just what to do  
And how to make it right  
Seems like I've needed this forever  
Gonna have myself a night to remember

Dim the lights  
Lock the door  
Spread your pictures on the floor  
Blow the dust off of our past  
Let it all come floodin' back  
Cause it ain't easy being strong  
And when I can't forget your gone  
I just surrender  
And have myself a night to remember

Sad ain't my style  
But once in a while  
I just have to give in

Cause a woman like you  
Is so hard to loose  
You just don't want it to end  
I know this can't go on forever  
So tonight I'll have a night to remember

Dim the lights  
Lock the door  
Spread your pictures on the floor  
Blow the dust off of our past  
Let it all come floodin' back  
Cause it ain't easy being strong  
And when I can't forget your gone  
I just surrender  
And have myself a night to remember

Oh, it ain't easy being strong  
And when I can't forget your gone  
I just surrender

And have myself a night to remember
