Well the beer's on the bar and the smoke fills the air  
There's a fool in every corner, man, I just don't care  
Tight pants, line dance, Stetson hats and cowboy boots  
They got Friday night, get right honky-tonk attitude

Well the waitress never leaves you with a half-empty  
glass  
And every girl's on the dance floor shakin' her well  
It's a two step three step, outta step country groove  
They got a Friday night get right honky-tonk attitude

Well now everybody knows that's where everybody  
goes  
Just to dance away their blues  
So leave your cares behind it's just a state of mind  
What have you got to lose? Oh yeah

Hey bartender pour up another round  
We're just gettin' started don't shut us down  
We need a slow dance, romanced, last chance  
rendezvous  
We need a Friday night get right honky-tonk attitude

Well now everybody knows that's where everybody  
goes  
Just to dance away their blues  
So leave your cares behind it's just a state of mind  
What have you got to lose? What have you got to lose?

Oh shake it!

Hey bartender pour up another round  
We're just gettin' started don't shut us down  
We need a slow dance, romanced, last chance  
rendezvous  
We need a Friday night get right honky-tonk attitude

Well now everybody knows that's where everybody  
goes  
Just to dance away their blues  
So leave your cares behind it's just a state of mind  
What have you got to lose? What have you got to lose?

If you've got a Friday night get right honky-tonk  
attitude  
Yeah, you need a Friday night get right honky-tonk  
attitude
