Well the beer's on the bar and the smoke fills the air  
and there's a fool in every corner man I just don't care  
tight pants, line dance, stetson hats and cowboy boots  
they got a Friday night, get right, honky tonk attitude

Well the waitress never leaves you with a half-empty  
glass  
and every girl's on the dance floor shakin' her... well  
it's a two step, three step, outta step, country mood  
they got a Friday night, get right, honky tonk attitude  
CHORUS

Well, now everybody knows  
That's where everybody goes  
just to dance away their blues  
So leave your cares behind  
It's just a state of mind  
What have you got to lose  
What have you got to lose

Hey bartender pour us another round,  
we're just gettin' started don't shut us down  
we need a slow dance, romanced, last chance  
rendezvous  
we need a Friday night, get right, honky tonk attitude

We need a Friday night, get right, Honky tonk attitude
