I Never did good in school
I was a rebel at heart.
While everybody was makin
the grade, I was gettin up to no
good down to an art.

But then you came along
and baby there i went.
Darlin with a kiss all of that english
finaly started makin sence

Chorus

You got me feelin so G-U-D
It's more better then I thought it would be.
Girl you taught me things that I never learned
in school I'm in love with a capital "U"

I always hated it math,
It never did add up.
Every time the teacher said "Pi R Square"
all that i could think about was goin to lunch

Science and history,
they only wore me out.
Oh but darlin since we met, I finally found
a subject I know a little something about.

Chorus

You got me feelin so G-U-D
It's more better then I thought it would be.
Girl you taught me things that I never learned
in school I'm in love with a capital "U"
