Downtown, Stoplight,
Red Car rolls by,
What else can I do,
But wonder if it's you.
Scanning the stations,
Every song were playing is like a soundtrack.
To the love we had.

I should be over you by now.
But ever time I turn around,

It's always something every day reminding me,
Everywhere I go there's a memory,
Ready and waiting to catch me off guard,
There's no way to prepare my heart.
Oohh what I wouldn't give,
What I wouldn't do,
If only I could just stop missing you,
I would let go of our love,
Like it was never nothing.
But it's always something.

Lunch time,
New place,
Waitress says new name,
Why does it have to be Emily?
Corner store,
Stop in,
Someone asks, "How you been?"
I said, "I wouldn't know." I really gotta go.
Wish I could forget you,
But I don't know how.
Cause every time I turn around,

It's always something ever day reminding me,
Everywhere I go there's a memory,
Ready and waiting to catch me off guard,
There's no way to prepare my heart.
Oohh what I wouldn't give,
What I wouldn't do,
If only I could just stop missing you,
I would let go of our love,

Like it was never nothing.
But it's always something ever day reminding me,
Everywhere I go there's a memory,
Ready and waiting to catch me off guard,
There's no way to prepare my heart.
Oohh what I wouldn't give,
What I wouldn't do,
If only I could just stop missing you,
I would let go of our love,
Like it was never nothing.
But it's always something.
It's always something.
Ohh, it's always something.
It's always something.
