Hey look, comin' down the way
Guess who got back in town today
I know he's got some goodies on his sleigh
Could it be, why yes, it's Mr. Christmas

Slidin' sideways, kickin' up snow
Makin' a sound that goes ho ho ho
A big jelly belly and a cherry for a nose
Could it be, why yes, it's Mr. Christmas

Everywhere he goes, he's spreadin' Christmas cheer
Everybody knows he'll be back again next year
Mr. Christmas

A Barbie doll and a little toy gun
Milk and cookies and he's on the run
You've just gotta love him, that old son of a gun
Was that him? Why yes, it was Mr. Christmas

Everywhere he goes, he's spreadin' Christmas cheer
Everybody knows he'll be back again next year
Mr. Christmas

Mr. Christmas
I said, Mr. Christmas
Mr. Christmas
