You could have kissed me like this wasn't gonna last  
Kept me from sayin' something I'll never take back  
You could have held me like there was no chance  
Of me waking up where I am  
You could have stopped short of every dream I've ever  
had

So help me girl, you've gone too far  
It's way too late to save my heart  
The way it feels each time we touch  
I know I've never been so loved  
And I can't help myself, so help me girl

You had to be there when that old sun came up  
Makin' last night feel like a vision of things yet to come  
You just had to hold me like nobody else  
Now look what you've gone and done  
You had to love me till I just can't get enough

So help me girl, you've gone too far  
It's way too late to save my heart  
The way it feels each time we touch  
I know I've never been so loved  
And I can't help myself, so help me girl

So help me girl, you've gone too far  
It's way too late to save my heart  
The way it feels each time we touch  
I know I've never been so loved  
And I can't help myself, so help me girl
