I work overtime cause my boss is a jerk  
It gets him off my back  
I go to see my momma right after work  
So she knows where Iâ€™m at  
Stop by my sisterâ€™s and I hug her neck  
Tell her just let that guy go  
But thereâ€™s a few things I do  
When Iâ€™m all by myself  
That nobody knows

1st Chorus:

Itâ€™s just somethinâ€™ I do for me  
Sometimes when I canâ€™t sleep  
I get in my car and drive down your street  
Itâ€™s just somethinâ€™ I do for me  
I did everything that a man could do  
To try and make you smile  
I couldnâ€™t keep love from slippin away  
But I slowed it down a while

When you finally told me that youâ€™d had enough  
Well it broke my heart into  
So I swallowed my pride  
Walked out of your life  
I did that for you

2nd Chorus:

But thereâ€™s somethinâ€™ I do for me  
Sometimes I really need  
Sit in a bar drown some old memories  
Itâ€™s just somethinâ€™ I do for me

Bridge:

I know these things might all seem strange  
But somehow they get me by  
This smile on my face is hidinâ€™ the trace of teardrops  
In my eyes

3rd Chorus:

It's just somethin' I do for me  
Sometimes when noone sees  
I talk to the man, I get down on my knees  
It's just somethin' I do for me.
