You say you never felt for me the way I feel for you  
And you're sorry if you ever led me on  
You told me time and time again that I can't miss your  
love  
What never was can't be really gone

But what about Denver  
Don't you remember  
Lyn' in my arms under Colorado stars  
We could see for ever

It wasn't just the moon  
You had to feel it too  
Girl if you and I were nothin' but a lie  
What about Denver

You may say the night you showed up cryin' at my door  
Was a momentary weakness at the time  
And all the mornings that I found you lyn' by my side  
You can go and blame it on the wine

What about Denver  
Don't you remember  
Lyn' in my arms under Colorado stars  
We could see for ever

It wasn't just the moon  
You had to feel it too  
Girl if you and I were nothin' but a lie  
What about Denver

Girl if you and I were nothin' but a lie  
What about Denver
