Where the mountains meet the sky
In the town that I was born in
Oh, there's a bridge
Where sweethearts meet
And dance til early morning

The river is bright below
And the moon is bright above
To the happy beat of dancing feet
It's easy to fall in love

Oh, up above the bridge of love
Stars are beaming
Hearts are dreaming
Every kiss tastes like two
On the bridge of love with you

I can surely promise you
That your life will not be lonely
Cause just one kiss upon the bridge
Can lead to matrimony

No one's lovely as you
And no one's lucky as me
Wear your dancing shoes
What can you lose if
You just be nice to me

Oh, up above the bridge of love
Stars are beaming
Hearts are dreaming
Every kiss tastes like two
On the bridge of love with you
