Hey paluppa, hey paluppa
Hey hey paluppallei, Hey hey paluppallei
Hey paluppa, hey paluppa
Hey hey paluppallei, Hey hey paluppallei

Oh yoh yoj Oh yoh yoj
Oh yoh yoj Oh yoh yoj
Pau pau paca si
Pau pau paca si
Oh yoh yoj Oh yoh yoj
Oh yoh yoj Oh yoh yoj
Pau pau paca si
Pau pau paca si

I hope you are feeling good inside
Every moment everytime
I'd like to see you soon with me
Where you're going oh where you're going

Feeling the rhythm
And knowing that the people are happy
Yeh yeh yeh yeah
Feeling the rhythm
And knowing that the people are happy
Yeh yeh yeh yeah

My heart and soul are free tonight
With my body and my mind
That's why I'm feeling good inside
Every moment all the time
