[Intro : Cappadonna]

That's my kind of bitch!

That's my kind of bitch!

That's my kind of bitch!

[Cappadonna]

Yo

I love a chick that's ghetto and pop guns for niggaz

Suck dick and plus buy nigga kicks

Now, that's my kind of bitch!

She fuck real good and she know how to kiss

She live a double life

She call police on me if she get strife

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit'

She like Timberlands and Nike

Tatt's on the back

Hustle and sold crack

How you like that now?

That's my kind of bitch

When I was a broke nigga

She was tryin' to get rich

She be hatin' other niggaz

But eat pussy real-quick

And still never treat me like a trick

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit

Now...

That's my kind of bitch!

[Hook : Cappadonna]

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit, huh

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit, huh

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit, huh

That's my kind of bitch!

That's my kind of bitch!

Keep her hair lookin' nice and her ass legit

[Cappadonna]

Hold it down
For the Don' when she flex my whip
Even though she on the strip
I ain't gonna flip
I put hickeys on her neck
Hickies on her clitoris on some real nigga shit
Got the cure for your bitterness
Hit you with the biggest dick now
That's my kind of bitch
She cheated on her man and she called it quits
Made me eggs in the morning and she made me quit

[Hook : Cappadonna]
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, huh
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, huh
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, huh
That's my kind of bitch!

[Cappadonna]
She hold my cock when I piss
My mic when I spit
My hand when I trip
My pussy when I skip
Now...

[Hook : Cappadonna]
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, now
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, now
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, huh
That's my kind of bitch!
Keep her hair lookin' nice and her ass legit, huh
