Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again
Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again

Ufufuf, do it again

C'mon haha, ooh tata
C'mon haha, ooh well

Everybody shake your body
Everybody shake your body
Everybody shake your body
We don't feel to chill the pumpbeat
Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again

C'mon haha, ooh tata
C'mon haha, ooh well
Everybody shake your body
