[Street Life]

Excuse me gorgeous..
Just maxin lookin for hoes y'know relaxin
Met this redbone Jasmine midtown Manhattan
Shot a verb that tranked her nerves calm words
Massaged the mentals made her pussycat purr
Sweet Love you look miraculous brown eyes passionate
High cheekboned Tommy Girl cologne you smashin it
Jump in take a spin destination Staten
I have you home by ten, Shorty started laughin
She replied, "Street, you ever ride while you drive?"
I looked puzzled, and said, "Nah baby why?"
She pressed up, grabbed my dick, threw her dress up
Cocked her legs, cold fucked my head up
Now I'm deep in it, flyin past the speed limit
Out of control, still whippin it, steadily hittin it
Deep strokin, one hand on the wheel, blunt smokin
Lovin how it feel, Sweet Love you got me open, what?

[Cappadonna]

Love is love Love, love is love Love
Love is love Love, love is love Love
We connected like a train from the first ordeal
I stepped to her with the passion as I kept things real
but like, sex was on my mind like, cum was in my pants
I flashed my fronts on her, like if I had a chance
She said, "Ain't you Cappadonna from the Wu-Tang
Clan?"

I said, "Yeah, mad gear plus the small white band
Sweet Love, I want your pussy can I be your man?
Stripped to the bare essentials let me fuck you if I can
Sweet Love, from your nipples to your pussy nub"
Sweet Love, love is Love, love is love Love

[Method Man]

It's a full moon, we in the bedroom, thoughts
consumed
by the passion, slow jam tunes and body action
My finger's on the clit splashin, your pussy lips
got you spazzin, love juices, marinatin
in your satins, sexy ass, I get some like my old dad
I love my women bad, w
