I have stumbled on the plains  
Staggered in the wind  
Stood at a crossroad or two  
Cried to a river  
Swept to the sea  
All just to get to you

I have flagged a yellow cab  
Hopped a rusty freight  
Sang till my lips turned blue  
Flown a silver bird  
On the tops of the clouds  
All just to get to you

I ran too hard  
I played too Rough  
I gave my Love  
Not near Enough  
I bled too red  
I cried too blue  
I beat my fist  
Against the moon  
All just to get to you

I have run from St. Paul  
To Wichita Falls  
Call'd you from sunny Baton Rouge  
Hocked everything  
From my watch to my ring  
All just to get to you

I ran too hard  
I played too Rough  
I gave you Love  
Not near Enough  
I bled too red  
I cried too blue  
I beat my fist  
Against the moon  
All just to get to you

From the California Shore

Where the mighty ocean roars  
To the lands of the Hopi and the Sioux  
I walked the desert sands  
Crossed the Rio Grande  
All just to get to you

I have stumbled on the plains  
Staggered in the wind  
Stood at a crossroad or two  
Cried to a river  
Swept to the sea  
All just to get to you
