(Jimmie Gilmore)

Did you ever see Dallas from a DC-9 at night?  
Well Dallas is a jewel, oh yeah, Dallas is a beautiful  
sight.  
And Dallas is a jungle but Dallas gives a beautiful light.  
Did you ever see Dallas from a DC-9 at night?

Well, Dallas is a woman who will walk on you when  
you're down.  
But when you are up, she's the kind you want to take  
around.  
But Dallas ain't a woman to help you get your feet on  
the ground.  
Yes Dallas is a woman who will walk on you when you're  
down.  
Well, I came into Dallas with the bright lights on my  
mind,  
But I came into Dallas with a Dollar and a dime.

Dallas is a rich man with a death wish in his eye  
A steel and concrete soul with a warm hearted love  
disguise  
A rich man who tends to believe in his own lies  
Dallas is a rich man with a death wish in his eyes
