It's a hot and a rockin' street  
All-right, all-right.  
Burns my jumpin' feet  
Tonight, tonight  
Lightnin' flies are shinin'  
All-right, all-right.  
Mardi Gras' unwindin'  
Tonight, tonight

I'm gonna paint this town red  
And sail the ocean blue  
Stay by me, Honey I'll stand by you  
Jolie Blon how are you  
All right, all right  
My Swansio, how are you  
Tonight, tonight

I'm gonna paint this town red  
And sail the ocean blue  
Stay by me, Honey I'll stand by you

It's a hot and rockin' street  
All right, all right  
Burns my jumpin' feet  
Tonight, tonight
