Please understand me everything's all right  
I just musta notta gotta lotta sleep last night

I was high flyin' down the riverside drive  
Rockin' to the radio man alive  
Stopped into a joint bought a round of booze  
Hot dog I got a buzz in my shoe

Please understand me everything's all right  
I just musta notta gotta lotta sleep last night

Writin' you a letter it's late in the night  
Sittin' in a caffe honey eatin' a bite  
I'm telln' you about where all I've been  
Hot dog I'm gone again

Please understand me everything's all right  
I just musta notta gotta lotta sleep last night

Now there's two kind of people in this big 'ol town  
There's the early to rise and the late to go down  
I guess I better find a better way to stop the clock  
Hot dog I like it a lot

Hot dog I like it a lot

Please understand me everything's all right  
I just musta notta gotta lotta sleep last night, yeah, hot  
dog

Please understand me everything's all right  
I just musta notta gotta lotta sleep last night
