My Daisy she's crazy
Just like she seems
She climbs into bed and covers her head
And sneaks into my dreams
My Daisy she's lazy
Don't do nothin' but play
While I work like a slave
in an airplane wing
And bring home all the pay
Well I wish she'd take it easy
On poor delicate me
wish she'd take it easy
It'd be a better day for my Daisy and me!
My Daisy she's amazing
Sneaks in the movies for free
While me and the chauffeur
keep the motor runnin'
In a rented limosine.
