I ain't been sleepin' I ain't been eatin'  
I been on pins and needles waitin' by the phone  
You better call me  
You better call me  
I been on pins and needles waitin' by the phone  
You better call me  
Or I'll  
Go Crazy!

I ain't been tryin' I feel like dyin'  
I been on pins and needles waitin' by the phone  
You better call me  
You better call me  
I been on pins and needles waitin' by the phone  
You better call me  
Or I'll  
Go Crazy!

I should've known when you said so long  
To run another telephone line  
The operator told me said, "Joe lay low  
Before You lose Your mind."

I feel forsaken, my heart is achin'  
I been on pins and needles waitin' by the phone  
You better call me  
You better call me  
I been on pins and needles waitin' by the phone  
You better call me  
Or I'll  
Go Crazy!
