How many times did you
Tell me "I need you"?
How many times did I
Try to believe you
(That ain't enough)

How many roads did I
Ride just to find you
How many fires did you
Burn there behind you
(That ain't enough)

That ain't enough to satisfy my love
I'm so greedy
No that ain't enough you called my bluff
When I was bleeding

You knew me so well
I trusted your power
Now that you're gone
It's my darkest hour
(That ain't enough)

That ain't enough to satisfy my love
I'm so greedy
No that ain't enough you called my bluff
When I was bleeding

I was losin' my head
Over somethin' you said
But I don't blame you
I was falling apart
About to break my heart
I was the same as you

You know I care
I combed your hair
With my fingers
If that ain't enough
I'm givin' up
I won't linger
