Tonight I think I'm gonna go downtown.
Tonight I think I'm gonna look around
For something I couldn't see
When this world was more real to me.
Yeah tonight I think I'm gonna go downtown.

My love, my love has gone away.
My love, my love what can I say.
My love would never see
That this world's just not real to me
And tonight I think I'm gonna go downtown.

I told my love a thousand times
That I can't say what's on my mind,
But she would never see
That this world's just not real to me
And tonight I think I'm gonna go downtown.

Tonight I think I'm gonna go downtown.
Tonight I think I'm gonna look around
For something I couldn't see
When this world was more real to me.
Yeah tonight I think I'm gonna go downtown.
