Some of the old gang  
We still keep in touch  
Relive the memories  
We cherish so much  
Sit there and laugh  
At all the things I did  
When I was a kid

Seems only yesterday  
The sixties were here  
Hot Summer nights  
With a six-pack of beer  
When I burned up the road  
In my Coup Deville  
I was the king of the hill

I still love James Dean,  
Elvis and rock 'n roll  
Haven't out grown my wild ways  
I'm a grown up kid  
Feelin' just like I did  
In my younger days

My friends, they tell me  
I'm a picture of youth  
While they're show me their age  
In a moment of truth  
Though my rock 'n' roll living  
Seems crazy to some  
The music's keeping me young

I still love James Dean,  
Elvis and rock 'n roll  
Haven't outgrown my wild ways  
I'm a grown up kid  
Feelin' just like I did  
In my younger days

There's a child in my heart  
That I'll never let go  
Dreamin' of something  
That I'll never outgrow

'Cause the music still move  
And the memories we made  
Are getting better with age

I still love James Dean,  
Elvis and rock 'n roll  
Haven't outgrown my wild ways  
I'm a grown up kid  
Doin' just what I did  
In my younger days

I'm a grown up kid  
Doin' just what I did  
In my younger days
