

## Joe Feat. G-Unit "Wanna Get To Know You"

Visit "[Wanna Get To Know You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I wanna get to know you  
I really wanna fuck you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I wanna be your lover  
I wanna get to know you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I'm lovin' how you look in my eyes, swingin' them hips  
when you pass  
I'm visualizing my name tattooed on that ass, baby  
Jump on this Harley, let's go smoke some of that Bob  
Marley  
Sip some Bacardi, then go pull up at the afterparty

I think we make a perfect couple but you think I'm  
trouble  
Maybe that's the reason you gave me the wrong  
number  
She got me feeling like maybe she the wrong woman  
Think I'ma be chasin' the chickenhead, you own  
somethin'

Your toes painted half, fixed all the time  
And your Gucci boots the same color as mine  
If you read between the lines, you can see that I want  
you  
I betcha I have you doin' what you said that you won't  
do

Making decisions, shorty, good things don't last long  
Your girlfriend keep showin' me that thong  
Before I head home, I'ma stop at your house and blow  
the horn  
If you come outside, you know it's on

I wanna get to know you  
I really wanna fuck you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I wanna be your lover  
I wanna get to know you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

Bitches be frustrated with the baller, wonder why I  
don't call her  
Maybe because I'm busy and she needs someone to  
spoil her  
It gets annoying from time to time, I gotta ignore her  
In order to let her know we'll be friends and nothing  
more

She loves it when I'm in town, hate it when I'm not  
around  
I get her and wear down, next door neighbors hear the  
sound  
Pictures hittin' the ground, just enough to hold us down  
I'm stickin' an' moving, cruising after the third round

Just lay back, baby and let me drive you crazy  
I can make a 40 year old feel like a young lady  
I admit, I fell in love with a frame  
And to make her feel special, I let her call me by my  
government name

Her panties wet over fame, fall in love with my chain  
I wonder if I wasn't an entertainer would she remain  
Surrounding me, hounding me, trying to be my only  
I'm not your boyfriend, I'm your homie

I wanna get to know you  
I really wanna fuck you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I wanna be your lover  
I wanna get to know you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

(Yeah)  
What would fuck me up more, watching her lick her lips  
Or watching her walk? She hypnotize me with her hips,  
man  
(Yeah)  
I sweet talking her if she like  
'Cause all she really want is a nigga to treat her right  
right

Look, I'm legit now, used to break laws  
Now you can reap the benefit of world tours  
Big house, big Benz, girl, it yours  
Mink coats, Italian shoes, stones with no flaws

You ain't go to look like a model for me to adore you  
All you gotta do is love me and be loyal  
Don't Indulge in my past, fuck what happened before  
you  
'Cause their be some honies gonna hate you that never  
saw you

Come here, let my touch on you, I let you touch on me  
Put my tongue on you, you put your tongue on me  
Let me ride on you and you can ride on  
We can do it all the night, we can have a balla night

I wanna get to know you  
I really wanna fuck you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I wanna be your lover  
I wanna get to know you, baby  
I'm lost in your lovin'  
I'm simply going to drive you crazy

I wanna be your lawyer  
I really wanna defend you, baby  
I'm lost in your lovin'  
I'm simply gonna try you, crazy

I wanna be your lover  
I wanna get to know you, baby  
I'm lost in your lovin'  
I'm simply gonna try you, crazy

I wanna be your lover  
I really need to stand you, baby  
I wanna be your lover  
I really need to stand you, baby  
Baby, baby, baby
