Give me emotion

Give me emotion

Emotion

Don't be proud

Don't be proud

Don't be proud

Don't be prou-oud

You tell me why

When you come to me

You want too long

All the things I do

I try, and try

And you know it's true

To show you I need you

What you want to believe

Give me emotion

Give me emotion

Give me emotion

When you come to me

Don't be proud

Don't be proud

Don't be proud

Don't be proud

Don't be proud

Don't be proud

Don't be proud

Don't be prou-oud

I know your pride

If I'm helping you

I don't know how

You can things to prove

And there is why

You can still feel free

Your rhythm come to try

Trying it with me

Give me emotion
Give me emotion
Give me emotion
If I'm helping you
