Don't tell me to stop  
Tell the rain not to drop  
Tell the wind not to blow  
'Cause he said so

Tell me love isn't true  
It's just something we do  
Tell me everything I'm not  
Don't tell me to stop

Tell the sun not to shine  
Not to get up this time  
Let it fall by the way  
Leave me where I lay

Tell the leaves not to turn  
Don't tell me, I'll learn  
Take the black off a crow  
But don't tell me to go

Tell the bed not to lay  
Like the mouth of a grave  
Not to stare up at me  
Like a calf on its knees

Tell me love isn't true  
It's just something we do  
Tell me everything I'm not  
But don't tell me to stop

Tell me everything I'm not  
Don't tell me to stop
